How To Get Help

Pets In Need is dedicated to helping low-income pet owners experience the love and benefits of having a pet.

We primarily serve:

- Households at or below 200% of the federal poverty level
- Seniors
- Veterans
- Individuals experiencing homelessness
- People living with a disability

Eligibility is simple—many clients qualify through:

- Medicaid
- Medicare
- Partner organizations

Pet owners are asked to self-identify that they meet our criteria to set up a first appointment. All pet owners sign an attestation and income information is collected when not available through a referring entity or provided at intake.
